### A POETIC TOUCH

The European Union Delegation in PNG had a poetry competition for its 50th Anniversary celebration and invited poets around the country to submit poems with the theme, "United in Diversity". Our very own *Bush Poet* submitted two pieces and on Wednesday 9th May one of the poems got selected hence won K250.00 cheque. The *Bush Poet* had decided to donate the cheque to SCF.

Thanks to the *Bush Poet* from Lihir Island.
